

Kentucky Division of Emergency Management

Exercise Scenario

The exercise scenario is a narrative statement, which details background information on a hypothetical emergency situation on which an exercise is based. Factors to include in an exercise scenario are:

- 1) Specifying a hypothetical emergency event.
- 2) The notifications process that informed officials of the event.
- 3) Advanced warning, if any.
- 4) Time of event occurrence.
- 5) Geographical information
- 6) Nature and scope of the event, including exposures to threats
- 7) Immediate response actions taken.
- 8) Initial damage assessment facts
- 9) Weather condition
